Please be sure to send in your Fiesta party item as soon as possible. The Brauchle parade will be first thing Friday morning (I believe it starts at 8:30 a.m.) followed by in class activities. First Grade will have games and eat our Fiesta Trail Mix snack after lunch. If you are unable to send in your party item, please let me know as soon as possible so I can make other arrangements. Don't forget to send back in your registration for next year! The paperwork came home this past week. By filling it in and returning it as soon as possible, it ensures your child will have a spot. Plus, it helps let us know how many grade level teachers we will need to have next year.

Thank you for your support of our 4th and 5th grade students who took the STAAR exam this past week. All of the students were SO quiet and good throughout the day. Their support helped make this a successful testing environment.

The Teacher's Corner Continued

Our Sea World field trip is coming up. The date is set for April 24. Please sign and send in the permission slip form as soon as you can. We need parent volunteers to help chaperone. The cost of getting in is \$25.00 PLUS tax. Your Sea World membership card is not valid on that day, plus, you will need to provide your own transportation. Parking is free. If you choose to come, please be aware that you will be taking a small group of students to tour the park. You MUST have a background check on file. Please do not wait until the last moment, as it does take a few days to process that paperwork. We are very excited about our trip, but it does take a lot of planning and coordination. Please do not send your admission fee to me, you will need to pay Sea World directly the day of. There is a permission slip, plus a parent slip that is going home in the binders today. *Today a reader, tomorrow a leader!*
