

2013-2014 Dream Big Tour

Mrs. Cassidy's Weekly News

First Graders are Number One

Week of: March 17, 2014

Room A112 Brauchle Elementary

Mrs. Cassidy's Corner

I hope everyone has a wonderful, safe and restful spring break! I am looking forward to a mini vacation with my children and husband. Please don't forget to read with your child during your time off. We will be testing reading levels and sight words soon after we all get back from Spring Break. We are really starting to get our momentum going and I would hate to slow down our progress. Wow, I thought the Student Led Conferences went extremely well for our very first time. All of my students did such a great job showing you what they know. I hope you enjoyed this special time with your child! Brauchle Rocks! *I love my class!*

Important Dates

March 10-14 Spring Break

The Teacher's Corner Continued

The Dr. Seuss parade was held on Friday, March 7th. It was postponed from the original date because of student led conferences and other activities going on at school. I am so impressed at the puppets that the students made at home. They were absolutely terrific! We enjoyed showing them off to our pre-kindergarten buddies.

First Grade held another Science Day on March 7th. Wow, what a great time we had. The students rotated through the different 1st grade classrooms conducting experiments. We learned more about seasons, wind, tornados, the water cycle and clouds. The teachers were tired but the students LOVED IT. Be sure to ask your child what their favorite rotation was!

Today a reader, tomorrow a leader!

Rotation Schedule

Monday	Tuesday	Wednesday	Thursday	Friday
