Mrs. Cassidy's Weekly News

First Graders are Number One

Week of: March 24, 2014

Room A112 Brauchle Elementary

Mrs. Cassidy's Corner

Please remember to turn in the early release form as soon as possible so that I know how your child will be getting home (even if it is the same way). The forms are in the flyer section of the binder. I am very pleased at how well most of my students did with the Unit 4 sight words! Wow! Keep up the great work at studying these at home. These words are found in the books that we read to assess their reading level. If they don't know the sight word on the flashcard, more than likely they won't know it in the book. Your child must be on Level I by the end of the school year to meet promotion standards.

I love my class!

The Teacher's Corner Continued

Be sure to look at the STAAR spirit week flyer in your child's binder. Next week we will be getting into the STAAR school spirit by wearing different items each day.

Also in the flyer section is a note from Ms. Mohler about students bringing their own electronic devices to school. Please do NOT send a device to school with your child until I let you know. The only days we will be using them are the days that I actually have the school I Pads in the classroom which is only every few weeks. Our first day will be March 27th (Thursday). Please note that I can not be responsible for what happens to the equipment. You and your child must use/send in at your own risk. I will lock them up during the day and only your child can use them, however, unexpected things do happen when you are around 17 6 and 7 year olds...
